Please allow this letter serve as recommendation of HG Construction Development & Investment Inc. as a top notch Site & General Contractor in the State of Florida. I have worked with them on several projects over the years and all projects to date have been completed on time and in a professional manner. They were an integral part of constructing the site work component of a project that included removal and replacement of FDOT curb and gutter (Type F), removal/replacement of brick paver sidewalk with header curbs, 4" and 6" sidewalks along both FDOT roads. HG provided MOT plans for approval to the FDOT and executed the approved MOT plan without incident. They also proceeded to mill and re-surface half of the roadway (Biscayne Blvd.) and complete thermoplastic striping +/- 28 days later. This firm has proved to be a valuable part of our construction team. I highly recommend HG Construction Development & Investment Inc.
