To Whom It May Concern:

HG Construction (HG) was the general contractor for the Miracle League Field at Tamiami Park, commissioned by the Miami-Dade County Parks, Recreation, and Open Spaces Department (MDPROS). The Miracle League Field was the first baseball field in Miami-Dade County specifically designed for use by those with disabilities.

The field is made of approximately 19,000 sq. ft. rubberized surface with sub-base of asphalt so children with assistive devices can be granted improved access to the field and experience what it's like to play ball. The project also included new dugouts, bleachers, benches, backstops, and related fencing, a C.M.U. donor wall, modifications to the existing parking lot, and electrical and plumbing work. The dollar value of HG's contract was \$673,086.63. The firm self-performed the following tasks:

- Demolition
- Clearing and grubbing
- Grading and compaction
- Drainage
- Asphalt
- Concrete
- Stripping
- Chain link sport fencing
- Installation of dugouts, bleachers, and benches
- Structural

HG Construction was instrumental in delivering this high visibility, fast tracked project on schedule. MDPROS found HG Construction to be courteous, conscientious, and very responsive. The quality of their work met and in some aspects exceeded our expectations.
