

To Whom It May Concern,

Please allow this letter serve as recommendation of HG Construction Development & Investment Inc. as a top notch Site & General Contractor in the State of Florida. I have worked with them on several projects over the years and all projects to date have been completed on time and in a professional manner. They were an integral part of constructing the site work component of a project that included removal and replacement of FDOT curb and gutter (Type F), 4" and 6" sidewalks and milling and re-surfacing along N. Federal Highway. HG provided MOT plans for approval to the FDOT and executed the approved MOT plan without incident. They also proceeded to mill and re-surface one full travel lane on N. Federal Highway and complete thermoplastic striping +/- 28 days later. This firm has proven to be a valuable part of our construction team when working in South Florida. I highly recommend HG Construction Development & Investment Inc. for their professionalism, organization and integrity.
