To Whom It May Concern:

I write this letter in recommendation of HG Construction Development & Investments, Inc. (HG) as a general and site contractor. I have had the pleasure of working with the management team on several public works projects in our town. Most notably the renovations and construction of the Danny Meehan Recreational Center in 2016. Located adjacent to Town Hall and The Police Department, this \$1M+ park renovation now serves as an important and central gathering place for every resident of this town. HG performed throughout the construction process and cooperated fully in matters of changes and time extensions, which were mostly due to design considerations.

HG self-performed all of the utility and site work components of this project. In addition to the aforementioned, they also self-performed the concrete sidewalks, basketball court construction, pavers, flatwork, concrete dumpster enclosure, installation of fitness equipment, landscaping, and irrigation. Electrical and fence subcontractor's work was coordinated properly and carried out in a workman-like manner too.

If you require any further information please do not hesitate to contact me at the contacts listed below.

Sincerely,
