**Subject: FDOT - Claro Development Recommendation Letter**

To Whom It May Concern,

Please allow this letter serve as recommendation of HG Construction Development & Investment Inc. as a top-notch Site & General Contractor in the State of Florida. I have worked with them on several projects over the years and all projects to date have been completed on time and in a professional manner. They were an integral part of constructing the site work component of a project that included removal and replacement of FDOT curb and gutter (Type F), removal/replacement of brick paver sidewalk with header curbs along SW 8<sup>th</sup> Street, 4" and 6" sidewalks along SW 12<sup>th</sup> Avenue. Both are FDOT roads. HG provided MOT plans for approval to the FDOT and executed the approved MOT plan without incident. They also proceeded to mill and re-surface half of the roadway (SW 12<sup>th</sup> Ave.) and complete thermoplastic striping +/- 28 days later. This firm has proved to be a valuable part of our construction team. Consequently, I sincerely and highly recommend HG Construction Development & Investment Inc.
